## Acceptance Criteria/Information

**Selection** - This is a juried show with the primary basis for acceptance being the quality, originality, craftsmanship and marketability of the work to be sold. A unified booth theme is preferable to those that have a selection of items from unrelated craft categories. The initial selection process will begin on September 1, 2010. All applications are considered and reviewed, even those received after the initial application deadline. The processing and selection of these applications will be based on the remaining space and category availability within the show.

**Eligibility** - You must be the designer, creator and producer of the work to be sold. Only work produced by you or under your direct supervision will be considered. No work produced or sourced by commercial means, nor work represented by dealers or agents will be allowed. Work must be handmade in Canada.

**Presentation** - The professionalism of the booth display is a major consideration in our applicant selection and is also a determination in booth placement within the show.

**Acceptance** - When accepted you will receive two copies of the show contract indicating your accepted booth size, accepted products and payment options. Prior to the show you will find a detailed exhibitors kit that will contain the show information, move-in details, hotel information and all other information you may need at our website: [www.signatures.ca](http://www.signatures.ca).
